FOR IMMEDIATE RELEASE
April 29, 2013

NOAA hurricane experts to attend Governor's Hurricane Conference
National Hurricane Center director available for media interviews

NOAA's National Hurricane Center Director Dr. Richard Knabb and several hurricane specialists will attend the 27th annual Governor's Hurricane Conference, May 6 to 10, in Fort Lauderdale, Fla., and will be available for one-on-one interviews.

Throughout the five-day program, hurricane specialists from the National Hurricane Center, part of the National Weather Service, will join experts from other federal, state and local agencies, emergency managers, first responders and others for training courses, workshops and panel discussions on tropical cyclones and storm mitigation.

An agenda, including session subjects, speakers and schedules, is available at <http://www.flghc.org>. **Media must pre-register at this site for credentials.**

WHAT: One-on-one interviews with National Hurricane Center director and specialists

WHEN: Monday-Friday, May 6-10, 9 a.m. to 5:30 p.m. EDT
Media must reserve interview time by contacting Dennis Feltgen.

WHO: Richard Knabb, Ph.D., director, National Hurricane Center
Chris Landsea, Ph.D., science and operations officer
Dan Brown, senior hurricane specialist and warning coordination meteorologist
Jack Beven, Ph.D., senior hurricane specialist
Richard Pasch, Ph.D., senior hurricane specialist
Jamie Rhome, storm surge team leader

WHERE: Broward County Convention Center
Media Room, 3rd Floor, Rooms 301 and 302
1950 Eisenhower Blvd.
Fort Lauderdale, Fla. 33316
